

## The PACC mapping project: Langhorne Creek

Langhorne Creek.

Almost entirely flat, the 44km Langhorne Creek circuit is the same as used by Payneham for their Keith Thurgood Memorial Open. With generally good road surface and light traffic this is an excellent circuit. Expect windy conditions as the country is mostly open. Sprinters are likely to have a field day with the lack of hills, which helps contribute to normally very fast times. Plenty of great wineries for post race celebrations (or commiserations) dot the area. Lake Breeze is a favourite for both their support of PACC and their excellent Port.

Approx. 1½ hrs travel time from Adelaide GPO.
